WHO WE ARE

TYKES
TEACHING
ALLIANCE

HCAT and Tykes Teaching Alliance are delighted to introduce, Unit 5, a unique and purpose-driven learning environment within their not-for profit organisation!

HCAT, a successful multi-academy trust of schools across Barnsley and Tykes Teaching Alliance, a professional development provider for the region, have worked collaboratively for 10 years. Our partnership is driven by a moral purpose to ensure that young people fulfil their potential and have the best educational possibilities regardless of their background or ability.

Expanding on our current successes, we are now launching a new social enterprise providing professional learning spaces to widen their impact beyond children in education to supporting the work of public and voluntary sector organisations across the borough.

Unit 5 will provide an affordable and enjoyable environment to learn in. We want Barnsley's workforce to feel invested in, respected and valued when engaging with their professional development.

To support the public and voluntary sector, Unit 5 offers a 25% discount to ensure these organisations can invest more into the content and facilitation of their professional learning therefore, enabling them to have a greater impact on the residents of Barnsley that they work with.

OUR SPACES

We have five professional learning spaces along with an individual hot-desking option. We have capacity to host small meetings to larger conferences of up to 72 delegates.

Each space is equipped with top-of-the-line, multi-platform technology and equipment including high-speed free guest Wi-Fi high-definition projectors, iPads, sound system and video conferencing facilities.

Our modern décor includes fun, subtle nods to Barnsley's cultural heritage including the amazing wall mural from South Yorkshire artist, Adam Briscoe.

ACCESSIBILITY

Our learning spaces are designed with accessibility in mind.

“

‘I deliver courses at many venues across Barnsley and this is a fabulous training space. The building is bright, fresh and modern with a relaxed albeit professional feel. Staff are always friendly and helpful.

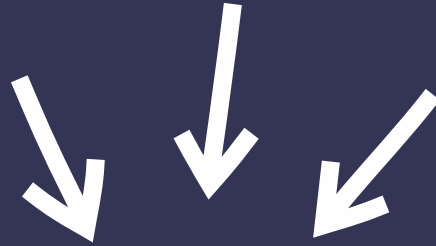

Communication is prompt and professional. If refreshments are required, these are always of a high standard and nothing is too much trouble.’

‘Facilitating sessions here is a pleasure. The team is always on hand to offer support and ensure delegates are welcomed and looked after. The venue offers a flexible, light and comfortable learning space where adults can network, collaborate and learn. Attention to detail makes a difference, such as easy access to refreshments, treats and quality stationary.’

”

BOOKING INFORMATION

Please scan the QR code to complete our booking enquiry form.

Our team will assist you in the booking process, ensuring that all your requirements are met.
